"I will do my absolute best to give the players and parents a good experience at JAG VBC. I strongly believe that we have passionate coaches that want what is best for their kids. In the short time I have been here (the 2023-2024 season marks my fourth season) I have seen JAG VBC transform into a club that has earned respect throughout the region and other teams know they will get a good fight on the court. I also know that we are a very affordable club option for the families in the communities surrounding Wisconsin Dells. I look forward to working with your daughter."
