JUSTAGAME VOLLEYBALL CLUB PLAYER SELECTION:

Extending an invitation is considered the same as making an offer at a tryout with the same guidelines and deadlines. Accepting a registration is the same as making an offer with the same deadlines. For example, a club that does not hold tryouts but “asks” players to play for their club may not “ask” a player until the applicable tryout period begins. Once a player is “asked,” they have until the applicable commitment date to make up their mind. For Junior Boys and Girls, the earliest date that a player may accept a spot in a club is the first Saturday in October (14 and under) or the first Saturday following the completion of the WIAA High School State Championship (15 and older).

At JustAgame Volleyball Club we have some age groups that have a National team and a Regional team. Parents/Players can elect to join a 2’s team (Black) if they choose even if they were offered a 1’s team (Red) position.

2021-22 TRYOUT/COMMITMENT DATES:

- **14-and-under girls (born July 1, 2007, and after)**
 - First available date clubs can hold tryouts: Oct. 2, 2021
 - A player (regardless of whether they played for a club in the 2020-21 season) will not be required to commit to a club until 7 p.m. on Monday, Oct. 4.

- All offers made after 7:01 p.m. Oct. 5 are at the discretion of the club
- **15-and-older girls (born June 30, 2007 and before)**
 - First available date for tryouts: Nov. 13, 2021
 - A player (regardless of whether they played for a club in the 2020–21 season) will not be required to commit to a club until 7 p.m. on Monday, Nov. 15.
 - All offers made after 7:01 p.m. Nov. 15 are at the discretion of the club

Notes: As always, players are encouraged to let clubs know of their intentions as soon as the decision has been made – a player does NOT need to wait until the deadline to accept or decline an offer. Individual clubs may choose to extend offer deadlines, at their discretion, or athletes may ask for this extension. Any extensions granted (or not) are the sole responsibility of Badger Region member clubs.

Club contact: A USA Volleyball Membership Management System (MMS) request from a club to an athlete to join the “Club Directory” is not considered a contact, as it is merely a part of the data organization process clubs must manage on a year-to-year basis. The electronic MMS request from a club to an athlete to join the club as an official member marks the moment at which a club has official made an offer to an athlete. This, too, should not count as a contact, as it is a systematic administrative function. A club program who has given an offer of membership to a player may make one club-initiated follow-up contact with that player between the time of the electronic MMS offer and the subsequent commitment date. A club-initiated contact shall be defined as a phone call, email, text message, face-to-face meeting, or any direct message on any of the social media by a representative of the club program making the offer
