1. **Membership Cards** - membership cards are now digital in Sports Engine. They can be added to Apple Wallet or Google Pay, but there ***is not*** an option to print the membership card. Here's a step by step Help article from Sports Engine on the digital membership cards: <https://help.sportsengine.com/en/articles/1459>

If a member is utilizing a 2019-2020 (valid through 10/31/20) membership for tryouts, they can still access their webpoint account, go to "member area", "print membership card".

2. **Memberships** - The tryout membership no longer exists. 2019-20 memberships that expire 10/31/20 are still valid for 14 & under tryouts. If needed, direct your members to purchase the Fall Junior Membership, \$15. This is valid through 12/31/20 and can be upgraded later. If they have any questions on membership ask them to contact us at membership@badgervolleyball.org ***BEFORE*** they complete the purchase process; NO REFUNDS.
